

University of Stuttgart

Institute of Physical Chemistry

Winter Semester 2020/2021

Colloquium of the Institute of Physical Chemistry

Monday, November 16, 2020 | 4:00 pm - 5:00 pm

Prof. Dr. Emanuel Schneck, TU Darmstadt

“The rich phenomenology of glycolipids and membrane-anchored polysaccharides - Insights from scattering techniques and complementary computer simulations”

Monday, January 25, 2021 | 4:00 pm - 5:00 pm

Prof. Dr. Frank Schreiber, Universität Tübingen

“Growth of Functional Molecular Thin Films”

Contact and further information:

Dr. Johanna Bruckner

+49 711 685 64136

johanna.bruckner@ipc.uni-stuttgart.de

As at October 19, 2020
